OFFICIAL SPORTFISHING ENTRY FORM (JANUARY 01, 2018) FISH / ANGLER INFORMATION

Effective January 01, 2018, all sportfishing entries for record purposes will be based on LENGTH ONLY.

Catch and release or size limits are common angling regulations put in place for fishery management purposes. The Alberta Fish and Game Association supports selective harvest of fish. Large fish are rare and an important genetic resource. Even when legal to retain, the Alberta Fish and Game Association encourages anglers to release these fish. For successful release, minimal handling is essential. For these reasons the Alberta Fish and Game Association is adopting a record format for SPORTFISHING based on LENGTH ONLY.
