

Bill Armstrong, Chairman of the LDFGA Conservation Scholarship Committee, would like to remind graduating students that two \$1000 scholarships are available annually to students enrolled in post-secondary education and taking courses leading to a career in Conservation, Wildlife/Fisheries Mgt., Biology or Renewable Resources technologies.

All information regarding scholarships and applications can be viewed and downloaded from our website: <https://lloydfishandgame.org/scholarships/> under Community and Habitat.

Application forms can be downloaded here: <https://lloydfishandgame.org/wp-content/uploads/2017/02/Scholarship-Application.pdf>, or can be obtained from your high school career guidance counsellors, or by calling chairman Bill Armstrong @ 780-875-5100.

Thank you very much!
