SASKATCHEWAN CAMP

The Lloydminster & District Fish & Game Association would like to sponsor some of our youth members, both boys and girls, to go to The **Saskatchewan Wildlife Federation Youth Conservation Camp**. The camp is at the SWF/ SIAST (Hannin Creek) Education Facility at Candle Lake, SK. The camp is developed to offer young people the opportunity to learn leadership skills and experience the great outdoors. Youth experience a wide range of outdoor activities including archery, canoeing, air rifle shooting, pistol shooting, wildlife identification, plant identification, survival skills, camp cooking, fisheries studies, map & compass, GPS use and more.

SASK GIRLS Camp will run Aug 4 - 8 2026, ages 12-14

SASK BOYS Camps will run Aug 11 - 15 2026, ages 12-14

Sask Age: All students **MUST** be between the ages of **12 - 14** years of age at the time of the school

We will be submitting our selections to the SWF along with our letter of recommendation. If selected you will need to fill out the SWF application as well.

ALBERTA CAMP

We will also send two students to the **Alberta Zone 4 & 5 Camps at Narrow Lake**.

Alberta Age: The Alberta camp is for both boys and girls (co-ed) who are between the ages of **12 and 17**.

This camp also includes field craft and wilderness survival, archery, conservation, waterfront activities, and shooting. Certified courses offered to campers include: Alta Hunters Training, Canadian Firearm Safety, and Canadian Boating Safety.

If we have sent you before, you are still eligible to be sent and to take the advanced camp program. If selected you will need to fill out the Narrow Lake application as well. I will be submitting our selections to Narrow Lake Camp, along with our letter of recommendation.

Note: Because Lloydminster & District Fish & Game Association is affiliated with both Alberta Wildlife Federation and the Saskatchewan Wildlife Federation, any youth member (regardless of province of residence) may apply to either camp. However, they must reside within our membership area.

The Lloydminster & District Fish & Game Association will pay registration costs for successful candidates for both camps but transportation to and from is the responsibility of the applicant/parent. If, for some reason the student must leave during the camp, it is also the responsibility of the applicant/parent.
